## SHAKING THE SOUTHLAND

They come from every walk of life. They are dedicated. They are passionate. And they are proud. They are the Clemson University Tiger Band.

Tiger Band is more than a group of musically talented students. It is a family full of fun and fellowship. It is a group of hard-working students who are committed to creative performances on and off the playing field.

Thousands of students have been transformed by their experiences within Tiger Band. In addition to maintaining their studies, they put in countless hours of practice every week. Members of Tiger Band stand out as respected ambassadors of the University.

Our mission is to provide members of Tiger Band with every opportunity to learn teamwork and leadership. Your gift to scholarships to Tiger Band will open new doors for these Clemson ambassadors. With your support, they will continue to *Shake the Southland*.

## FUNDING THEIR FUTURE

Scholarships given to Tiger Band Scholarships for Production Studies in Performing Arts are awarded based on talent, and recipients must play in one other auditioned ensemble, including Symphonic Band or Jazz Ensemble. Clemson University Tiger Band Association (CUTBA) also provides scholarships for our members.

There are 350 members in Tiger Band. Approximately 70 of those students receive scholarships, averaging \$700 per semester. The current funding is limited. The need for scholarships is great.

Scholarships provide some of our University's greatest ambassadors with a foothold toward the future. Scholarships allow us to offer these creative and educational experiences to the most talented and most deserving students. Scholarships are a means to attract the best.

Your gift will ensure our students who are a part of Tiger Band have the opportunity to expand their leadership and musicianship through exceptional performances. Your investment makes a difference in our members' lives as they study to become doctors, teachers, scientists, engineers, business owners – and so much more.
